

# ANDERSON VALLEY 2020 CHARDONNAY

### Elegant. Juicy. Balanced.

"Aromas of CITRUS BLOSSOM, chamomile and Gala apple, with flavors of LEMON MERINGUE pie, white peach and GREEN APPLE are supported by subtle west stone and spice notes."

CRAIG McALLISTER, WINEMAKER

ANDERSON VALLEY
CHARDONNAY
2020

### THE STATS:

Appellation: Anderson Valley
Composition: 100% Chardonnay
Type of Oak: 100% French oak;

25% new

Time in Barrel: 9 months
Alcohol: 13.7%
T.A.: 5.5 g/L
pH: 3.45

Our original name, La Crema Vinera, means "best of the vine," setting the standard for all we do since 1979. Our family-owned and operated winery focuses exclusively on cool-climate appellations. We're continually exploring these very special regions—passionate in our belief that they make uniquely expressive and elegant wines.

#### A REMARKABLE PLACE

The Anderson Valley AVA is one of the premier wine growing regions in California and wines from the area exude unique characteristics. Located near the cool influence of the Pacific Ocean, Anderson Valley offers a diverse range of geography from the valley floor broken up by meandering rivers, to 1600-foot-tall mountain tops that rise above the fog line. This Anderson Valley Chardonnay is a blend of fruit from two of our estate vineyards. Skycrest vineyard, located on the warmer eastern edge of the valley, sits at high elevation and enjoys clear sunny days followed by cool nights. The second vineyard rests on benchland in the cooler deep end of the Anderson Valley and is planted to old vines. Soils are comprised of weather sandstone that allows excellent drainage and moderates vine vigor. Clones include 4, 15, and 72.

## It's one of the world's best cool-climate appellations. It's a place for La Crema.

### **EXCEPTIONAL GRAPES**

Unlike much of Northern California the Anderson Valley was untouched by wildfires in 2020. Winter was relatively dry with rainfalls about 50% of normal levels in some places. Spring for the most part was relatively warm and dry with the exception of a couple of frost events around budbreak and a shower of rain during bloom. What followed was a dry and warm growing season that had us reaching for superlatives, crops were balanced- if tending a little light. Flavors developed nicely as harvest neared and ripening was helped along by heat spells in August and around Labor day. Our 2020 Anderson Valley Chardonnay harvest began on September 12th.

### ARTISAN WINEMAKING

### Our boutique, hands-on techniques continued into the winery.

The fruit was picked in the cool morning hours before being gently whole cluster pressed to preserve fresh fruit characteristics. Free run juice was allowed to settle overnight at cold temperatures before being racked to French oak barrels for fermentation. Primary and secondary fermentation occurred in barrel and lees were stirred occasionally to develop texture. The wine underwent full malolactic fermentation and was aged in barrel for without racking for 9 months before bottling.

The essence of Anderson Valley, captured in a bottle.
